Fractional Chief Risk Officer (CRO)

Description

Job Title: Fractional Chief Risk Officer (CRO)

Location: City of London (Hybrid)

Commitment: 2 days per week

Day Rate: £700 per day

Sector: Independent Financial Adviser (IFA)

Overview

An established, City-based Independent Financial Adviser (IFA) firm is seeking an experienced **Fractional Chief Risk Officer (CRO)** to provide senior-level oversight of risk management, regulatory compliance, and governance.

This is a high-impact, board-facing role for a proven risk leader with prior responsibility as **SMF16/17 (Compliance Oversight / MLRO)** or equivalent, and demonstrable experience managing **ALMRO** and **Compliance Officer** functions within an FCA-regulated environment.

The role will suit a senior professional who enjoys working with owner-managed or growth-focused advisory firms, bringing structure, insight, and strong regulatory judgement.

Responsibilities

Key Responsibilities

Risk & Governance

- Design, implement, and maintain the firm's enterprise risk management framework.
- Own and update the risk register, conduct risk assessments, and scenario testing.
- Advise the Board on current and emerging regulatory and operational risks.
- Support the Board in meeting governance, oversight, and conduct obligations.

Regulatory & Compliance Oversight

- Provide senior oversight of Compliance and ALMRO activities.
- Ensure ongoing compliance with Financial Conduct Authority rules, principles, and guidance.
