

Multi-Asset Portfolio Manager

Description

Job Title: Multi-Asset Portfolio Manager

Location: London, United Kingdom

Department: Multi-Asset Investment Team

Reports to: Head of Multi-Asset Investments

Job Summary:

A highly regarded asset manager based in London is seeking to add a talented and experienced Multi-Asset Portfolio Manager to their investment team. The successful candidate will be primarily responsible for managing multi-asset portfolios, conducting in-depth analysis of investments, and executing strategies to achieve long-term investment out performance. This role offers a unique opportunity to work within a dynamic and collaborative environment, contributing to the firm's reputation for excellence in multi-asset management.

Responsibilities

Key Responsibilities:

- **Portfolio Management:**
 - Manage a range of multi-asset portfolios, ensuring alignment with client objectives, risk profiles, and the firm's overall investment strategy.
 - Implement and monitor strategic and tactical asset allocations across various asset classes, including equities, fixed income, alternatives, and currencies.
 - Continuously assess portfolio performance, making adjustments to achieve target returns and manage risk effectively.
- **Investment Analysis:**
 - Conduct thorough analysis of potential investment opportunities across multiple asset classes, using both quantitative and qualitative methods.
 - Evaluate macroeconomic trends, market conditions, and geopolitical developments to inform investment decisions.
 - Collaborate with the research team to identify emerging investment opportunities and risks, integrating insights into portfolio strategies.
- **Strategy Development:**
 - Develop and implement innovative investment strategies designed to achieve long-term outperformance while managing risk.
 - Contribute to the development of the firm's multi-asset investment philosophy, process, and product offering.
 - Regularly review and update investment strategies in response to changing market conditions, client needs, and regulatory requirements.
- **Client Engagement:**
 - Work closely with the client relations team to communicate portfolio strategies, performance, and market views to clients and
